

20 MAY 1977

MEMORANDUM FOR: Deputy Director for Administration

FROM: Robert W. Gambino
Director of Security

SUBJECT: Office of Security Significant Activities
Week of 13 May 1977

REFERENCE: DDA Administrative Instruction No. 74-5

1. This memorandum is for information only.

2. The activities of the Office of Security during the week of 13 - 19 May 1977 were highlighted by the following items:

a. The Office of Security was advised on 13 May that the Washington, D. C. home of the Deputy Director of Science and Technology had been burglarized. An Office representative along with a member of the Security Management Staff/DDS&T, responded to lend assistance, advice, and guidance. It was determined that nothing was taken.

b. On 16 May representatives of the Office of Security and Office of SIGINT Operations (OSO), DDS&T met to develop specifications to govern armoring of courier vehicles to be used by OSO [REDACTED]. Tentative agreement on specifications was reached and presented to the Armoring Focal Point Officer, Office of Security, Department of State. This officer is to begin visits to private companies with resources to manufacture armor to determine the feasibility of meeting the proposed specifications.

c. On 17 May an Office of Security representative indoctrinated the newly appointed Administrator, General Services Administration, for access to Sensitive Compartmented Information.

d. During the reporting period the Office of Security prepared a study on eleven recent unauthorized disclosure cases for review by staff members of the Security Subcommittee, Senate Select Committee on Intelligence. The compilation illustrates the gravity of unauthorized disclosures in a format which will facilitate briefing of subcommittee members.

e. Two Office of Security representatives are currently participating in the debriefing of Mr. Christopher J. Boyce in Los Angeles.

3. Projected Office of Security activities for the week of 20 May 1977 of possible interest at the Directorate level include:

a. On 20 May the eight Office of Security representatives and one Communications Security Officer enrolled in the Survey and Personnel Protection Course currently being held at the [REDACTED] will be addressed by the Chief, Education and Training Staff, Office of Security, Department of State. Under discussion will be the Department of State's security program, as it functions domestically and abroad, and as it relates to the overseas security program of this Agency.

b. The Polygraph Branch of the Office of Security will be holding a seminar 24 - 27 May 1977 at the [REDACTED]. Emphasis will be on [REDACTED] case processing and presentations will be made by various elements of the DDO and DDS&T.

MEMORANDUM FOR: Deputy Director for Administration
FROM: Robert W. Gambino
Director of Security
SUBJECT: Office of Security Significant Activities
Week of 6 May 1977

1. This memorandum is for information only.

2. The activities of the Office of Security during the week of 6 May - 12 May 1977 were highlighted by the following items:

a. On 6 May 1977 Office of Security representatives visited the [REDACTED] to arrange for increased police patrol in the area of [REDACTED] National Photographic Interpretation Center. The police recognized this particular neighborhood as a problem area, and promised to pay special attention to the route used by NPIC secretaries from their building to the parking lot during the critical hours, 1500 to 1800 hours, Monday through Friday.

b. On 10 May Mr. Thomas Farmer and former Senator Albert Gore, newly appointed Chairman and Member, respectively, of the Intelligence Oversight Board were briefed on three sensitive compartmented information programs by an Office of Security representative.

c. On 11 May an Office representative met with Messrs. Gitenstein and Bushong, staff members of the Security Subcommittee, Senate Select Committee on Intelligence, for discussion and review of leak data base file and the processes used in the investigation of unauthorized disclosures. Subsequent meetings are being arranged.
